Consultation Follow Up Email

Hi [Name],

Really nice meeting you. I enjoyed our conversation, and I could tell right away you're ambitious and taking this seriously. I'm glad we got to talk through where you're at right now and what you're aiming for on test day.

I wanted to give you a little time after the call to sit with everything before I followed up.

Like I promised, here are the next steps:

1) Schedule your first session (1 hour 10 minutes)
https://cal.com/joshua-jtx5ud/session-link

2) Complete the Law School Applicant Form
https://gformsapp.com/f/1m39t2vRxERZWmA610ZWB94zxyC2Sab5v-Gm9Xnwdnkg/en/

Once you've done both, reply here and let me know. I'll send over the **full onboarding instructions** (everything you'll need before our first session) so we can start strong.

Best,

Joshua
